

# **THE GREAT REOPENING**

**UK SHOPS, PUBS,  
BARS & RESTAURANTS**

**Opening on  
30.1.2021**

**In a mass civil disobedience campaign Italian Restaurant owners who are sick of lockdown and fear for their businesses have opened in mass protest at lockdown rules. Lets do that here too. This is the only way you will be able to keep your business going. The government lockdowns will continue for as long as we allow them to.**
